

Donovan Family | Youth Assistance Funding Recipients

Dear Far North Queensland Youth Assistance Fund,

I would just like to say thank you for assisting my family financially in my trip to Brisbane for the annual State School Swimming Championships at Chandler. Getting selected for the Peninsula team and being able to travel down to Brisbane means a lot to me and without your help I may not have been able to go. I had a wonderful trip and participated in two out of five events, (due to an accident) that went across three days. In these two events I made new friends, caught up with some old ones, and did PB times. At the start of the competition I was very nervous, but as it went on my confidence grew and I was able to make more friends and make the whole thing more enjoyable. Once again thank you for your help and support.

Yours sincerely,

Ned Donovan | 2018

Dear Far North Queensland Youth Assistance Fund,

Thank you for supporting our family in our sporting endeavors at the annual State School Swimming Championships at Brisbane in 2018. By giving us funding that we accept very gratefully, you are enabling us to be surrounded by other like-minded people who take swimming seriously just like us. We participated in many events over the three days of competition in both the primary school and secondary school divisions. We did great times and PB's in all of them, which we are very pleased with. As this was our first time competing at this level we would like to continue to compete and do well at this high standard in the years to come. We met competitors both new and old from the Peninsula region that were there also and made new friends who were representing regions from all over Queensland. Overall, it was an amazing experience that we were ecstatic to be a part of and we are both proud to have represented Peninsula.

Sincerely,

Sara & Chloe Donovan | 2018
