

## Emily Giles | Scholarship Recipient

Dear FNQ Youth Assistance Fund,

Last year I had the honour of receiving assistance from the George Chapman AO Past Presidents Testimonial Fund. I would sincerely like to thank George Chapman and the Far North Queensland Youth Assistance Fund for supporting me in my first year of university.

I am currently starting my second semester of a Bachelor of Vision Science at QUT in Brisbane and am grateful for a smooth transition into university life and moving out of home.

The scholarship received helped in buying various study tools such as rent assistance, lab gear, a printer, textbooks and lab manuals. This has allowed me to focus on studies relieving some of the financial pressure that comes with student life.

Warm regards,

**Emily Giles**
